

# InterForm Features

Feature	Supported	Comments
<b>Platform</b>		
Native iSeries	•	
Performance	Excellent	
<b>Technology</b>		
Network capacity	Small load	Using macro to minimize print size
Extra hardware	□	Software only
Extra features form IBM	□	
<b>Processing</b>		
Technology	Parallel	Can simultaneously handle unlimited number of processes / printers
Capacity	Heavy-duty	Optimized for large quantity of spooled files
Stability	High	Due to the stability in the iSeries platform
<b>Management</b>		
Central Management	•	
Maintenance	Online	24-7 uptime due to online release update capacity
<b>Integration</b>		
Integration to MOM	•	Processes the StreamServe file from MOM
Integration to DB/2	SQL	
Integration though User Exits	CL/RPG/Cobol	
Monitoring output queues	•	No programming or changes required in the ERP-solution
<b>Graphic Designer</b>		
Design Tool	5250 / Windows	Both included in InterForm
Conditional elements	•	All graphic elements & spool mapping can be conditioned. This enables dynamic overlay.
Duplex printing	•	
Copy management	•	All graphic elements & spool mapping can be copy controlled.
Page management	•	All graphic elements & spool mapping can be controlled by first page, last page and page in between.
Sub-overlay	•	
<b>Fonts &amp; Barcodes</b>		
Support for Unicode	•	Similar to Double-Byte-Character-Support (DBCS)
Support for TrueType fonts	•	
Support for Proportional fonts	•	
Support for barcode in general	•	
Support for barcode PDF 417	•	Advanced 2 dimensional barcode
Support for QR barcode	•	See <a href="http://www.denso-wave.com/qrcode/index-e.html">http://www.denso-wave.com/qrcode/index-e.html</a>
<b>Printing</b>		
Black/White	PCL5 / PCL5e	
Colour	PCL5c	
Thermal printer	ZPL2	Zebra
Unlimited number of printers	•	
Paper input tray support	•	HP paper type or tray number
Output tray support	•	
Support for stapling	•	
<b>Spool management</b>		
Sorting	•	
Merging	•	
Splitting	•	
<b>Enveloping</b>		
	•	
<b>PDF files</b>		
PDF formatting	•	InterForm PDF driver.
Bookmarks	•	
e-mail function	•	Subject/body text can be combined with fixed text & spool data
e-mail attachment	PDF File	
PDF File folder system	•	Folder/file names can be combined with fixed text & spool data
Digital signature in PDF	•	
Encryption on PDF	•	
Password protection	•	
Protect against copying, editing, printing	•	
<b>Archiving</b>		
Format	Module PDF / SCS	MultiArchive
Indexing	•	
<b>Fax</b>		
	Module	InterFax
<b>Letter merge</b>		
	Module	InterWord

• Yes □ No
